

Environment Policy Statement

Premier le Reve is committed to protection, conservation and restoration and Restoration of our natural environment

- Set sound environment objective and targets, with an integrated review process.
- Comply with all applicable environment laws, statues and regulations.
- Manage and maintain our Hotel, service and facilities to operate more efficiently and profitably, using fewer resources and generating minimal waste
- Continuously improve environment performance and reduce the impact our business activities have on the environment
- Create environment awareness among our employees, guest and suppliers

Hossam Mandour
